

A letter from Deborah Yedlin

On behalf of the Calgary Chamber of Commerce, I'm thrilled to welcome you to our community. We know we're better together, so thank you for joining us.

We are an independent, member-funded organization dedicated to supporting Calgary's business community. Since 1891, we have helped shape the business landscape in Calgary through our member-driven collaboration. From large companies to small start-ups, we support and advocate for all businesses in Calgary.

As part of the Chamber, you will have access to a network of events and programs designed with your business in mind, ensuring your voice is heard in every aspect of the work we do. Included in your membership, you will benefit from exclusive resources that support the growth of your business, give you a seat at the table with government, and strengthen your brand in the community – through training programs, competitive group benefits, marketing opportunities, local discounts and so much more.

You will also receive support from the dedicated Chamber team who will help you make use of your benefits and build connections in the community. The team is available to provide support if you are interested in expanding your partnership with us through our Member Perks Program or event sponsorship opportunities.

I hope you will find these resources beneficial as you begin your journey with us, and I look forward to having you be part of our community for many years to come.

Sincerely,

Deborah Yedlin

President and CEO, Calgary Chamber of Commerce
