

MAKER MEMBERSHIP

\$300/YEAR

Maker members are independent business owners, artisans and entrepreneurs who create and sell their own products, bringing their creativity and craftsmanship to customers across our communities. They typically work from home or online, without a physical storefront or warehouse, with the exception of a commercial kitchen.

Maker Membership gives them access to the resources, connections and opportunities they need to build their business, grow their network and reach new customers.

Build your brand

- Discounted rates for additional marketing benefits
- Maker member website directory listing
- Blog post featuring new members

Grow your network

- Discounted member rates for all events
- Free member ticket to Chamber Fest, our biggest networking event of the year
- Subscription to Calgary Chamber email newsletter
- Complimentary tickets to monthly members-only coffee meetups

Expand your influence

- Invitation to participate in Calgary Chamber's survey community

Organizational engagement and benefits

- Access to Member Perks Program
- Access to BOOM Rewards and discounts
- Access to Chambers Plan group benefits
- Access to Mental Health Navigator and mental health programming
- Discounted or free access to exclusive events, training and programs
- Access to grant support (fees apply)
- Access to tuition discounts through Continuing Education and Post-Secondary partners
- Discounted access to document certification services
